Name of Product: Super Lube Syncopen Synthetic Penetrant, Fire Resistant Hydraulic Fluid, and Metal Protectant and Corrosion Inhibitor (consumer sizes of five gallons or less)

Hazard: The recalled products contain either ethylene glycol or low-viscosity petroleum distillates, which must be in child-resistant packaging, as required by the Poison Prevention Packaging Act (PPPA). The packaging for the products is not child resistant, posing a risk of poisoning if the contents are swallowed by young children.

Remedy: Refund.

Consumers should immediately secure the recalled Super Lube® products out of the sight and reach of children and contact Kano Laboratories for a full refund. Consumers will need to provide proof of possession by emailing a photo of their product to info@super-lube.com to receive their full refund.

Consumer Contact: Kano Laboratories at 800-253-5823 from 8:30 a.m. to 5 p.m. ET Monday through Friday, via email at info@super-lube.com, or online at www.super-lube.com/recall
