## TIP-OVER RESTRAINT STRAPS

### Sauder and Sauder Beginnings Clothing Storage Units

**Products Affected:** Tip-over restraint straps provided with certain Dressers and 4-Drawer Chests sold under the Sauder and Sauder Beginnings brands manufactured between July 2020 and August 2023. The date of manufacture is shown on the tracking label on the rear of the unit (see attached photo).

**Hazard:** The tip-over restraint straps can fail when used on certain Sauder clothing storage units (dressers and 4-drawer chests) to prevent tip-over incidents, posing tip-over and entrapment hazards that can result in death or serious injuries to children.

**Remedy:** Contact Sauder Woodworking Company to determine if the tip-over restraint strap provided with your Sauder or Sauder Beginnings dresser or 4-drawer chest is a part of this recall, and to have a replacement tip-over restraint kit sent to you.
