Product: This recall involves all sizes and thicknesses of the Nap Queen Sleep Victoria Cooling Gel and Pocket Coil Hybrid Mattresses manufactured prior to October 2023. The single-sided mattresses have a white knit top panel quilted in wavy diamonds, and a black woven quilted side panel. They were sold compressed in a box. The mattresses’ top and bottom edges are black with yellow stitching. “Nap Queen Sleep”, “Victoria Hybrid,” the model number, and manufacture date appear on a white label sewn onto the mattress cover.

Hazard: The recalled mattresses violate mandatory federal flammability regulations for mattresses, posing a fire hazard to consumers.

Remedy: Consumers should stop using the recalled mattresses immediately, and contact Nap Queen to receive a free fitted cover to put on their mattress to bring it into compliance with the federal standard. The firm is contacting all known purchasers directly.

Consumer Contact: Nap Queen Sleep toll-free at 866-387-6239 from 9 a.m. to 5 p.m. CT Monday through Friday, email at recall@napqueens.com, or online at <https://www.napqueensleep.com/pages/napqueen-victoria-hybrid-mattress-recall-program> or www.napqueensleep.com and click “Product Recall” at the top of the page for more information.
